EDUCATION

COMSATS University Islamabad

Bachelor of Science in Software Engineering

CGPA: 3.57/4.00

Islamabad, PK

Sept 2020 - Present

PROJECTS

InteriorX

Web Application

- Allow users to create floor plans, design rooms, 2D/3D and VR view of rooms, multi-users design collaboration.
- Designed a user-friendly interface to use on different devices and screen sizes.
- Technologies:** React js, Mongo DB, Express js, Node js, Web sockets

VehicleAtPark

Web Application

- The app simplifies vehicle registration with number plate image entry, vehicle search, detailed reporting, and precise user and vehicle record management for administrators across multiple parking areas.
- Technologies:** React js, Mongo DB, Express js, Node js

Library Management System

Web Application

- The app automates library tasks like cataloging, borrowing, and tracking books.
- It streamlines operations, enhances user experience, and provides administrators with tools for efficient library management.
- Technologies:** Html/css, JavaScript.

SKILLS AND TECHNOLOGIES

Languages

HTML/CSS, JavaScript, Python, Java, C++, SQL

Developer tools

VS Code, Eclipse

Technologies/Frameworks:

React js, Express js, Node js, Mongo DB, Three js, Github, Katalon Studio, Cypress, Bootstrap

WORK EXPERIENCE

Ineffable Devs

Full Stack Intern

Islamabad, PK

May 2022 – July 2022

- Collaborated with a team of developers to design and implement responsive user interfaces using HTML, CSS, and JavaScript.
- Developed backend functionality and RESTful APIs using Node.js and Express.js to enhance system performance.
- Utilized database management systems like MongoDB for data storage and retrieval.
- Participated in code reviews, testing, and debugging processes to ensure high-quality software delivery.

INTERESTS

Table Tennis: I'm a skilled table tennis player, having won at the regional level, shaping my determination, focus, and competitive drive.

Frontend Designing: I possess strong skills in front-end design, with a deep understanding of UI/UX principles and responsive design techniques.

Hiking: I am an enthusiastic hiker and enjoy exploring natural landscapes.
